Reunion 2000

We came. We saw. We had a Ball !

By S. C. Ananian

They came from all over the US of A, the members of the 339th, their wives, children and grandchildren. Family and friends of our departed comrades, arrived in wheelchairs, crutches and canes. Like pilots flying at high altitude, some even came dragging oxygen bottles, to assist in breathing.

They all came.

Friends of the 339th from England and Alaska came to meet their heroes and friends, to pay homage to our CO and his lovely Maxine. The History Channel and the Imperial War Museum sent its TV Cameras from England to interview our members, and record their stories for history.

Even the Governor of Texas George W. Bush sent us a letter of welcome. We, one hundred and thirty strong (plus or minus a few), spent four fun filled days talking, eating and a little drinking. We posed for pictures and autographed books. Thanks to the magnificent effort by Larry Powell, reunion chairman, a great time was had by all!

Noticeably absent were Mary and Chet Malarz and Ollie and Bill Bryan. Both Chet and Bill were recovering from surgery, and sorely missed. We parted unwillingly on Sunday, promising to meet again next year.

The San Antonio reunion in October was excellent and memorable for all attendees.

For the first time in many years, we found a first time 339th veteran in attendance, although only briefly because of his health. 505th crew chief Al Rivera now lives in San Antonio and is legally blind from Macular Degeneration. He did visit his old buddies for a few hours in our Hospitality Suite. We also had two veterans who had not been with us in many years show up at this time. HQ medical technician Les Munnecke and wife Marge joined us, as did HQ supply Officer Marshall Cole with son Ronnie and daughter-in-law Naira. Marshall was our second oldest attendee at 87 (Fred Cox is 89.) It was great to see all these fine people as we honored our group commander, General John B. Henry. Despite a recent operation to remove his cancerous bladder, John enthusiastically supported this reunion in every way. He even arranged for a Color Guard from Lackland AFB to participate in our banquet program. John has our undying gratitude for his leadership during the war and his full measure of support for our association since being located in 1981.

Reunion Coordinator Larry Powell, with his great assistance locally from John & Maxine Henry and Ila Dearey, arranged an excellent facility for us at the Four Points Sheraton Riverwalk Hotel as well as an enjoyable trip to Fredericksburg. It also included a stop at the LBJ Ranch, lunch at the Sunday House German Restaurant and a visit to the Admiral Nimitz Museum. Visitors to the museum are greeted by a life-sized video of former president George Bush who was a Naval Aviator during World War II. Larry proved himself to be a worthy replacement for Slick Penrose.

Speaking of Slick, the new edition of the 339th Group history came out that week, and Steve Ananian had arranged with Turner Publishing to ship a carton of 18 books to our hotel. They were quickly reviewed and well received by attendees. We gave one copy to each of our British guests in attendance and sold the rest to our members. Slick and son Tom Penrose did an outstanding job of revising the original edition, correcting misprints and including many new photos and articles. It is now a book we can all treasure as a record of our participation in World War II. Although the time for getting a special price discount from Turner Publishing has expired, Steve has obtained an extension of that 25% discount price through December 2000. See advertisement and coupon in this Newsletter.

Our banquet speaker was Group Engineering Officer and Technical Inspector Harold Meyer. Hal gave us an interesting account of some of the problems we faced as pilots and aircraft maintenance personnel. He is now 85 and acts at least 20 years younger. What privilege it is to enjoy his continued support for our reunion activities.

Hal Meyer proudly displays his award of thanks presented to him by the 339th. He wonders if it will stand up to the California earthquakes. "Hal, ask Larry about that." *Steve*

Weldon "Red" Miller made his reservations early, but then had to cancel due to an attack of Emphysema. At the last minute, Red changed his mind and arrived with son Stephen and a tank of oxygen. The "Bud" in hand was supplied by us!

We welcome back, Nick and Julie King, our visitors from the U. K. They are here again with their families, visiting with their 339th friends. Looks like we caught Julie in the middle of a high note, or was it a yawn?

Larry Powell, Reunion coordinator asks Hal the big question of the Reunion, "Who did the airplanes belong to, the Crew Chief or the Pilot?" Hal did not know.

PRESIDENT'S MESSAGE

Oct. 7, 2000 President Charlie Steffen congratulating C.J. Roberts on his recent election as president and chief executive officer of the Mighty Eighth Air Force Heritage Museum in Savannah.

By Charles Steffen
President 339th FGA

Greetings. I am pleased to report to you that our recent reunion in San Antonio was a success and enjoyed by all members and guests who attended. Tribute was paid to one fine gentleman, our World War II Commander, Major General John B. Henry, Jr., and he was presented a copy of the second edition of the 339th History with signatures of the veterans in attendance.

Credit goes to our Reunion Coordinator, Larry Powell, for all the Sheraton Hotel arrangements. Thanks also to Ila Dearey for arranging for the road trip to the Admiral Nimitz Museum. Special thanks to Hal Meyer our banquet speaker, Doc Scroggin for his comic entertainment and thanks also to Frank

Gerard and Bob Irion for making the dinner such a success. Our Banquet was somewhat different this year, with a color Guard from Lackland AF Base, arranged by General Henry; participation in the program by past presidents, and group singing of the Star Spangled Banner and God Bless America, Led by Marilyn Carollo. With not as many side trips as in the past, all members and guests seemed to enjoy the free time to renew old friendships and visit.

It is pleasing to see a number of "Friends of the 339th" return to our reunions each year, coming from as far away as Britain and Alaska. We thank them for attending and express our appreciation for their support of our Group in their individual ways. Please keep it up, as you are most welcome.

Now we look forward to our reunion in 2001. After considerable discussion and with a view to providing the membership with a reunion site attractive, interesting and affordable, your board concluded that St. Louis, Missouri might be a pretty good place. Larry Powell will do the preliminary investigation and if he is not satisfied with what St. Louis has to offer, then he will look elsewhere, having the best interest of our members in mind.

It was concluded that a reunion in Britain would not be practicable at this time. Inasmuch as 35 members of our group showed serious interest in participating in a tour, look for Chet's report elsewhere in this issue for his report.

To those that were not able to make it this year, you missed a good one, try to make the next one. After all, there will not be too many of opportunities to meet one another in the future. So until the March Newsletter, start thinking of St. Louis in September 2001.

Happy Holidays to all!

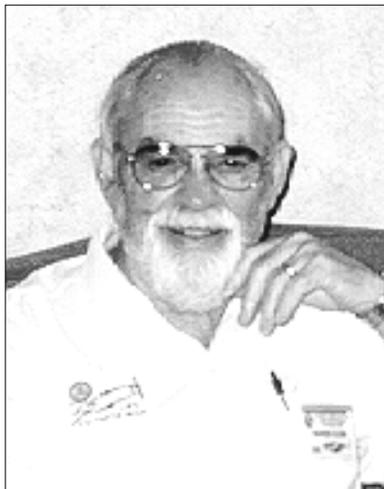

Charles J. Steffen

A Word of Thanks

By Warren L. Olsen ORD

Hospitality Room Coordinator

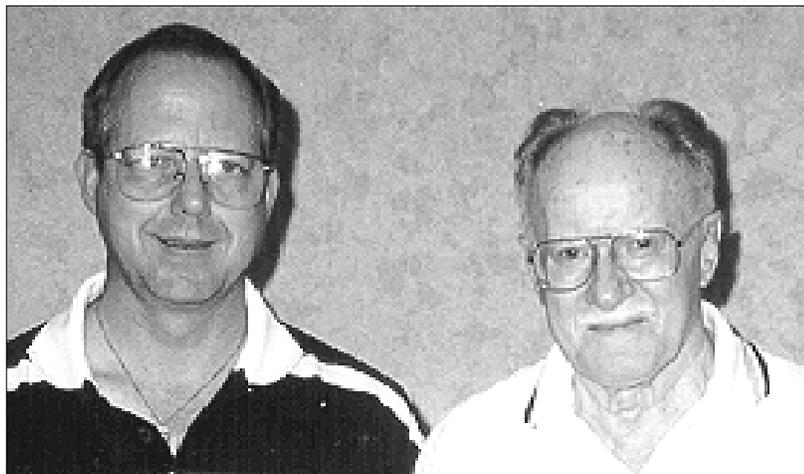

Thought you all would appreciate the unselfish effort put out by our members to make our Reunions the success that they are. Thanks Warren, now you know why we were such a success in WWII. SCA Editor

I wish to thank those that assisted me with the operation of the Hospitality Room. Larry Powell's assistance and guidance was invaluable. Fred Cox my wheelman drove me whenever I needed a chauffeur. When things got really rough, the General and Maxine Henry jumped in. My special thanks to Steve Miller & Bill Crippen; who worked the bar when no others were available.

This was my first year as co-ordinator. I learned from my errors and expect to do better next year. In the future I will need the help of unit directors in allocating personnel to man the bar. In addition, I ask for assistance in the future. I can always use a helping hand in any capacity.

Above all I want to thank my wife, Gladys, without her I could not have made it.

The Mailbag

I received the following letter, on Nov. 20th

I regret to inform you of the recent passing of my wonderful brother James J. Brignola, Staff Sgt. & Crew Chief of the 339th FG, 505th FS. Jim passed away peacefully at the V.A. Hospital on Oct. 28th. He just recently celebrated his 86th birthday.

My brother Jim was legally blind these past 15 years. However, he relished in receiving the regular "Newsletter," as I read every issue to him as they arrived. He would remark with nostalgia when friends he served with at Fowlmere, England were mentioned in the "Newsletter," I have saved every issue for his benefit. They are a treasure of his past military service with the 8th Air Force.

He was proud to have served with so many of his buddies during such a trying time, and especially, the front-line pilots who were the real heroes. He never talked about patriotism but I was sure it was in his deepest heart.

Signed Dominick E. Brignola U.S. Navy, WW II

From Bill Bryan; -

Dear Steve,

During the weekend of the reunion, Ollie and I sat around staring at each other and wishing very, very much that we were there with all the 339th gang and the many guests. I had high hopes that my back recovery timetable would permit our attendance, but it didn't work out that way. From reports I have received to date, it is obvious that San Antonio will join the long list of memorable get-togethers that we in the 339th have enjoyed over the years. Congratulations to all those who made it "fly so high!"

If you will permit me a little "cop-out", I would like to use the Newsletter to sincerely thank the many people from our Group who have sent "Get Well" cards and to those that have called with their best wishes. Special thanks for the card that circulated at the 503rd dinner on the Friday evening containing the signatures of the majority there in attendance and forwarded, no less. By Maxine and John Henry!

Believe me, the thoughtfulness of so many; have meant very much to Ollie and I.

See you all next year! *Bill*

Also the following letter from Chet Malarz,

Steve,

Thank you much for sending me the card signed by those great people of the 505th. It was very thoughtful of them. Please express my deep appreciation for all their calls and cards showing me their concern and wishing me a fine recovery. It sure feels good having such wonderful friends. I am coming along as expected, I guess. It's a slow process. So glad the San Antonio Reunion was a fine success. Am looking forward to next year. Keep in good health. *Chet*

Tom Miller, Crew Chief, 505, ask that he be kept on the mailing list Tom is 92 years old and still enjoys the Newsletter!

Betty, wife of Bob Paul, pilot 505, writes, "Even though Bob has Alzheimer's disease, he still enjoys being told about the happenings of the 339th Fighter Group. Please keep them coming!" Our thanks to Maye & Joseph Hawley, Ordnance for their \$15 donation. To Virgil Flaming Armorer 504

for his \$20 donation. Thanks also to Adrianna Gerard MD, wife of Frank Gerard, pilot 503 for her \$200 donation at our reunion.

Tom Penrose sent me the following that was sent him.

Dear Mr. Penrose,

My name is Ginger Lowery. My husband's great uncle was 1st Lt. Arthur Lee Lowery who was a pilot in the 339th Fighter Group, 503rd Squadron. He was killed-in-action on June 22, 1944 during a support patrol. I have several pictures of him during the war. Some are with other soldiers and some are with planes. I was wondering if you would be interested in having and maybe putting one on the 339th Fighter Group website. Arthur was not married nor had children, so I feel this is a very good way for his memory and accomplishment to continue. Not much is really known about him due to the early deaths of his siblings so if you happen to know of anyone that knew him or has any stories regarding him, we would be grateful. I am currently trying to find his final resting-place, but we believe he is still in France, which is where he was buried temporarily until 1947.

Thank you so much for your time. Sincerely, Ginger S. Lowery

Can anyone help out?

Steve

October 2, 2000

Greetings to:

***339th Fighter Group Association
of World War II***

Welcome to San Antonio for your 21st annual reunion. This October 18-22 gathering provides a great opportunity to renew old friendships, relive memories and honor fallen comrades.

The pilots of the 339th Fighter Group have a proud record of service in World War II. I commend you for the vital role you played in the Allied Campaign in Europe. Your sacrifices for our freedom – and the freedom of others around the world – will never be forgotten. I salute organizers for hosting this special gathering that will pay tribute to your combat Commander, San Antonians John B. Henry, Junior, and his wife, Maxine.

To those from out of town, I know you will enjoy visiting San Antonio. From fine restaurants and live entertainment to Spanish missions and the River Walk, the Alamo City has something for everyone. I am sure the people you meet will show you our famous Texas hospitality.

Laura joins me in sending best wishes for a memorable reunion.

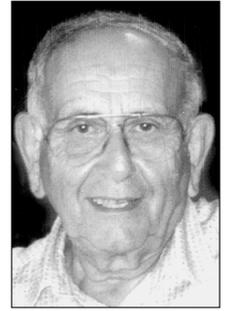

Sincerely,

GEORGE W. BUSH

Editor's Corner

There it is! The story, pictures, and accounts of another great reunion. The effort on the part of all was rather fantastic to say the least. No need to repeat all the accolades bestowed by others on the members that were responsible. One always risks forgetting the efforts by some one person.

Having said that, I would like to mention some people whose efforts were not too obvious.

The unit directors took over as soon as they arrived. These Board Members in a strange city were able to organize their people and get the job done. Larry Powell, had thoroughly prepared for any eventuality. John and Maxine, at a time when they were having their own problems, assisted at a moment's notice. Ila Dearey arranged for a very enjoyable tour as told you by Jim and our president in his message.

Thanks to Harold "Hal" Meyer, Group Engineering Officer, who came in at the last moment as banquet speaker. Doc Scroggin 505th Flight Surgeon, came through with his usual professional performance. Frank Gerard and Bob Irion gave the banquet program a sense of class. Without all of you fellows we would have been lost.

Our real hero of the day was Marilyn Carollo! Single handed she faced the members of the group and tried to make singers out of a chorus of croaking frogs. Cecil Byrd and Bob Burns tried to help out by singing soprano falsetto with the girls part but it didn't help! If I had a "Crois de Guere" she would get it for guts! Her efforts were valiant and hopeless, and we were all entertained.

A few months before the reunion, I was in contact with Paul Nelson of the History Channel on Cable TV. We made arrangements for them to attend our reunion and interview members of our Group. Paul and Andrew Johnson showed up with their crew and spoke to our members for two days.

The show will be aired on TV this spring so look for it! It is part of the "Battleground" series and will be the story of the P-51 Mustang. Many thanks to Roger Freeman author, for having recommended our group to Paul. Also thanks to our own Web Master Tim Ferrell, who comes to our reunion and records the events for his Web Site.

The Board of Directors met for their business meeting on Saturday and voted Jim Starnes and Chester Malarz as permanent board members. The BOD also voted to Donate \$1,000 to the Fowlmere Elementary School, in England. They also recently voted to donate \$1,000 to the WWII Memorial Fund in the name of the 339th Fighter Group.

Jim Starnes is donating a copy of the Second Edition of our History to Martin Sheldrick in Fowlmere. I will be sending a copy to the Fowlmere School Library. We also gave autographed copies of the "Second Edition" to our guests.

The BOD has also decided to start dues again this year. Our funds are getting low and we are asking the Veterans of our Group to donate \$10 to help with expenses. We do not ask widows or families of our departed members to contribute. Please check the enclosed mailing list for names of friends as well as your own.

The next issue of the Newsletter will be sent to only those on the new mailing list.

Seasons Greetings!

Steve

Anyone know the pilot of that 339th Mustang on the next page?
